**24H EXPRESS
SURVEY**

**Get through
the current crisis by
staying in touch with
your customers**

Leger

24 HOUR EXPRESS SURVEY

Survey your customers within 24 hours using Canada's largest representative proprietary panel.

**More than
400,000
people
at your
disposal.**

A customized 5-question survey of 500 respondents is the ideal tool to make a quick decision; evaluate the reaction of Canadians; test an idea or launch a new product.

This solution will help you get through the current crisis faster and enable you to adapt to a situation that changes from day to day.

Leger's technological solutions help you measure, understand and interact with your stakeholders online and in real time.

Customer Online Community

Stay in continuous contact with your customers to test decisions, messages, advertisements and new products or services in real time.

Employee Online Community

Promote engagement by maintaining continuous communication with your employees to motivate them, manage their expectations, participate in collaborative sessions and find new solutions.

Online Discussion Groups

Conduct your focus groups online with participants recruited from across the country.
